

# CHÂTEAU DE GOULAINÉ

## WELCOME TO THE CHÂTEAU DE GOULAINÉ!

Built on the ancient border between France and Brittany, “Goulainé” is a Loire Valley castle, near Nantes and the Ocean. Its history is connected to the Goulainé family’s as it has been their home for over one thousand years. First a Breton medieval fortress, the construction ended in the 17<sup>th</sup> century. Built in freestone, this Renaissance château represents the “sweetness of life” in the French Kings’ Valley. Discover the Goulainé marshes, a protected area, nearby.

Visit our Gift Shop, Tea Room and enjoy a tasting of “Marquis de Goulainé” Loire wines. For further information, subscribe to the newsletter. Follow us on “Château de Goulainé” and “Amis de Goulainé” Facebook pages.

The castle is open all year long for groups on reservation!

### THE KITCHENS

The 15<sup>th</sup> century vaulted kitchens, kept secret until now, reopen. Enter the world of market gardening, a local tradition. Each vegetable has its own history and an unknown origin.

### THE LU OFFICIAL MUSEUM

In the former stables, a sweet escape is organized for you! The history of the famous “Petit-Beurre” biscuits is revealed. You are plunged into Lefèvre-Utile universe through LU’s first store furniture, sculptures, posters, boxes...A wonderful display of artistic and marketing heritage from 1846 till today.
